Incubator Rental and Hatching Program

Available until May 2024. Advance Notice Required

The Goffle Poultry Farm offers an incubator rental program, catering to teachers and parents eager to engage their children in hands-on learning experiences. We offer a comprehensive package that includes both the eggs and the necessary equipment for classroom projects. These initiatives not only teach children about the lifecycle of eggs development and hatching, but also responsibility and care for baby chicks.

We are offering 4 programs this year. All rental programs have access to Goffle Poultry support email and phone Monday – Friday: 9:00 AM - 2:30 PM

Program A: Fertile Egg & Rental Deluxe <i>The complete kit with everything needed to hatch and care for baby chicks.
